OVERVIEW

This document is designed to communicate the end goal of our institute, Shivtej Arogya Seva Sanstha's Yogita Dental College and Hospital, Khed. It encapsulates our understanding of the institute's current and future endeavors. It will form the basis for the outcomes and delivered benefits for the program.

VISION STATEMENT

"To emerge as institute of excellence in academic delivery, ground breaking research, compassionate healthcare and impactful community engagement."

MISSION STATEMENT

- Offer rigorous academic programs that foster critical thinking, creativity, and lifelong learning, ensuring that graduates are well-prepared for successful careers in dentistry.
- Conduct cutting-edge research in dental science and related fields, advancing knowledge, technology, and treatment modalities to improve oral health outcomes.
- Provide high-quality, affordable dental care to underserved communities in the rural Konkan belt, promoting oral health equity and access for all.
- Cultivate a supportive and inclusive learning environment that nurtures the personal and professional development of the students, providing them with the resources, mentorship, and guidance they need to thrive.
- Actively engage with local communities through outreach programs, preventive initiatives, and collaborative partnerships, addressing oral health disparities and promoting public health awareness.

CONSTRAINTS

The statements are exclusively constricted to the programs offered by Shivtej Arogya Seva Sanstha's Yogita Dental College and Hospital, Khed.

- a. Bachelor in Dental Surgery (BDS)*
- b. Masters in Dental Surgery (MDS)*
- c. Doctorate in Philosophy (Ph.D)*
