**Describe gender equity in curricular and co-curricular activities, facilities for women on campus:**

Gender equity in curricular and co-curricular activities within campus provides equal opportunities, recognizing and addressing gender-based disparities.

Gender equity integrates diverse perspectives into educational content, ensuring that both male and female students have equal access to resources, educational materials, and opportunities for participation.

Creating lactation rooms for nursing mothers and ensuring proper lighting and security contribute to an environment that prioritizes the well-being of women on campus. Sensitization programs educate the campus community about the importance of gender equity, fostering a culture of respect and understanding, regardless of gender identity.
