The Internal Quality Assurance Cell (IQAC) of our institution conducted a meeting on 27th February 2023 to discuss the progress and performance of the institution in terms of its academic and administrative activities. The meeting was chaired by Dr. Varsha Jadhav, and the IQAC coordinator Dr. Shireen K. was also present along with other members.

Agenda:

The following topics were discussed during the meeting:

5. Review of the previous meeting minutes
6. Feedback on the implementation of the previous meeting's action points
7. Update on the progress of the institution's activities
8. Discussion on new proposals and suggestions

Discussion:

1. Review of the previous meeting minutes: The minutes of the previous meeting were reviewed, and it was noted that all the action points were implemented effectively.
2. Feedback on the implementation of the previous meeting's action points: The IQAC coordinator Dr. Shireen K. gave feedback on the implementation of the previous meeting's action points. It was observed that all the action points were implemented effectively, and the results were satisfactory.
3. Update on the progress of the institution's activities: The progress of the institution's activities was reviewed, and it was observed that the institution had made significant progress in terms of academic and administrative activities. The institution had implemented various measures to improve the quality of education, including regular feedback from students and faculty, training programs for faculty, and the use of innovative teaching methodologies. The administrative activities of the institution had also improved significantly, with the introduction of an online portal for admission and fee payment.

4. Discussion on new proposals and suggestions: Various proposals and suggestions were discussed during the meeting, including the introduction of new courses, the establishment of a research center, and the creation of a mentorship program for students. The members of the IQAC committee were encouraged to provide their feedback and suggestions.

Conclusion: The meeting was concluded with the members expressing their satisfaction with the progress made by the institution in terms of academic and administrative activities. The proposals and suggestions discussed during the meeting were noted, and the IQAC committee will work towards implementing them in the future.

CIRCULAR

Circular # 2023/1

This is to inform all staff members of Yogita Dental College and Hospital, Khed, that on 6th Jan 2023, IQAC committee meeting would be conducted.

Venue: Conference Hall.

Enclosed- Agenda of the 1st IQAC 2023 meeting.

To review the progress of the SSR submission, DVV clarification updates, and to discuss the steps to be taken to improve the quality of education in the college.

Copy to,

- To all staff members.

Dr. Varsha Jadhav
IQAC Chairman

The Internal Quality Assurance Cell (IQAC) committee meeting was held on 6th Jan 2023 at the college conference hall. The meeting was chaired by Dr. Varsha Jadhav, Principal of the college, and coordinated by Dr. Shireen K., IQAC Coordinator.

Agenda:

The agenda of the meeting was to review the progress of the SSR submission, DVV clarification updates, and to discuss the steps to be taken to improve the quality of education in the college.

Discussion:

The meeting commenced with the welcome address by Dr. Varsha Jadhav, who congratulated the IQAC team for their efforts in the submission of SSR and DVV clarifications. Dr. Shireen K. presented the progress report of the SSR, which was reviewed by the committee members.

The committee members expressed their satisfaction with the progress made so far, but also highlighted a few areas where improvement is needed. The following are the key points discussed during the meeting:

1. Student feedback mechanism:

It was suggested that the college should conduct a survey to gather feedback from students about the quality of teaching, facilities, and other aspects of college life. The feedback can be used to identify the areas where improvement is required.

2. Faculty development:

The committee members suggested that the college should conduct regular training sessions and workshops for the faculty members to improve their teaching skills and keep them updated with the latest developments in their respective fields.

3. Infrastructure:

It was observed that some of the college infrastructure needs improvement, particularly the library, laboratories, and sports facilities. The committee suggested that the college should invest

REGD.NO.MAH/F/-1588/RATNAGIRI

(Recognized by Dental Council of India, New Delhi & Affiliated to Maharashtra University of Health Science, Nashik)

in improving these facilities to provide better opportunities to the students.

4. Industry collaboration:

The committee suggested that the college should establish collaborations with industries to provide practical training and exposure to the students.

5. Research and innovation:

The committee emphasized the importance of promoting research and innovation among the students and faculty members. The college should encourage and support research activities by providing necessary resources and infrastructure.

Conclusion:

The meeting concluded with a vote of thanks by Dr. Shireen K., IQAC Coordinator. The committee members appreciated the efforts of the IQAC team and suggested that the college should continue to focus on improving the quality of education. The suggestions and recommendations made during the meeting will be taken into consideration for the implementation of future plans.

Minutes of Meeting

IQAC Committee Meeting

Date: 11th December 2022

Time: 10:00 AM - 12:00 PM

Venue: Conference Room

Agenda:

1. Review of the progress made on the previous year's recommendations.
2. Discussion on the preparation for the upcoming NAAC Accreditation.
3. Any other business with the permission of the chair.

Minutes:

1. The meeting was called to order by Dr. Shirin Kshirsagar, the Chairperson of the IQAC committee.
2. The minutes of the previous meeting were read and approved by the members.
3. Dr. Shirin Kshirsagar initiated the discussion on the progress made on the previous year's recommendations. It was observed that most of the recommendations had been implemented successfully, and the committee was satisfied with the progress.
4. Dr. Hemangi Pol suggested that the committee should focus on improving the research activities in the college. The members agreed with his suggestion and discussed various measures to be taken to encourage research among students and faculty.
5. Dr. Rashmi Jayanna updated the committee on the preparations for the upcoming NAAC Accreditation. She informed the members that the internal quality assurance cell

REGD.NO.MAH/F/-1588/RATNAGIRI

(Recognized by Dental Council of India, New Delhi & Affiliated to Maharashtra University of Health Science, Nashik)

had completed the required documentation and was ready for the external review.

6. Dr. Varsha Jadhav suggested that the college should conduct more continuing dental education programs for the faculty and students to keep them updated with the latest advancements in dentistry. The members agreed with his suggestion and discussed the ways to organize such programs.
7. Dr. Aditya Dupare suggested that the college should collaborate with other dental colleges to conduct joint research projects and academic activities. The members appreciated her suggestion and discussed the ways to establish such collaborations.
8. Dr. Joel Koshy updated the committee on the administrative matters related to the college. He informed the members that the college had received a grant from the government for the development of infrastructure, and the work had already started.
9. The meeting was concluded with a vote of thanks to the chairperson and the members.

Action Points:

1. The committee will organize a meeting with the heads of departments to discuss the measures to be taken to improve research activities in the college.
2. The committee will organize continuing dental education programs for the faculty and students on a regular basis.
3. The committee will explore the possibilities of collaborating with other dental colleges for joint research projects and academic activities.
