Patient Services				Data Integration
Office	Local LAN	HIMS		Data Integration

E-Governance in Administration

- All hospital-related activities are automated with *MedSeva™ HIMS*.
- Attendance is being captured by Biometric devices.
- All the servers, desktops, and Laptops are licensed with proper Microsoft Licenses.
- All the servers and clients are protected by Antivirus.
- All the websites are maintained/updated regularly by Zaplon Tech Solutions Pvt. Ltd. Pune.

E-Governance in Finance & Accounts

- To fulfill the needs of accounting and finance *CellBeans MedSeva software* is used and is updated from time to time.
- For all the online payments, a separate portal for payment gateway is made available from ICICI powered by ©payphi 2016.
- Collaboration with JODO app for providing suitable payment plans for students for payment of fees.

E-Governance in Students Admission & Examination Support

- College uses *CellBeans MedSeva, Student database* procured for automation purpose.
- The library and information services activities have been made fully automated using *CellBeans MedSeva's Library management option*.
- Projectors have been installed in all Lecture halls/ Classrooms to undertake Computer Aided teaching/ Learning as well as for presentations.

E-Governance in general

- The institute has been equipped with Internet Lease Line from Deep Net Tele Services Pvt. Ltd. and Hathway Tele Services Pvt. Ltd.
- All the servers are placed in the server room and are not at all accessible from outside the campus.
- From the server room, the network is distributed to all buildings via 100 GBPS Fiber uplinks.
- All the network switches are managed Switch with VLAN.

INTEGRATED SOLUTION FRAMEWORK
