

## SUMMARY REPORT ON HAR GHAR TIRANGA

Har Ghar Tiranga is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75<sup>th</sup> Year of India's Independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75<sup>th</sup> year of Independence thus become symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation building.

We at Yogita Dental College & Hospital, Khed celebrated Har Ghar Tiranga Campaign by conducting various activities in order to invoke the feeling of patriotism in the hearts of students and society in general.

The highlight of campaign was to promote awareness about the Indian National Flag through rally.

The rally was conducted by Yogita Dental College & Hospital, Khed in collaboration with Siddhayog Law College, Khed and Chatrapati Sambhaji Raje Sainik School, Jamage on 10<sup>th</sup> August, 2022. The rally started at 9:00 am from the college to Chatrapati Shivaji Chowk through Talyache Vakan, Teen Batti Chowk, Khed Bus Stand, Market Area.

There was enthusiastic participation from students, teaching staff, non-teaching staff, students and staff from Law College and Sainik School. Students showed their active participation by carrying flags, performance of Lejhim dance, slogans and placards. Dignity of the Flag was maintained by everyone participated in the rally.

### **INTERNATIONAL WOMEN'S DAY**

**8/03/2023**

#### **Event Report**

International Women's Day is celebrated in the world over, every year on the eighth day of March. It celebrated womanhood and pays tribute to the indomitable spirit of the women across the globe. Its roots lie in the early 1900's when oppression and inequality was spurring women to become more vocal and active in campaigning for change.

To create awareness on **Breast Cancer**, Department of Public Health Dentistry conducted an awareness program on Screening of Breast Cancer for girls and non-teaching faculty stressing about the changes in female hormone levels, changes that could be seen physically, its symptoms, etc.

An awareness Lecture was conducted about the same by **Dr. Sharvari Joshi**. The talk focused on the importance of early detection, visible changes in the body, when to ask for help from the physician, etc. The talk also focused on elaborated ways of promoting awareness of Breast Cancer. Students were also taught about self-examination of the lymphnodes and other important clinical features.

The female staff in the college were felicitated by giving them Roses as token of appreciation for their dedication and hard work.

**SUMMARY REPORT**

**WORLD NO TOBACCO DAY  
31/05/2023**

World No Tobacco Day is an annual celebration that informs the public on the dangers of using tobacco, the business practices of tobacco companies, what the World Health Organization (WHO) is doing to fight tobacco use, and what people around the world can do to claim their right to health and healthy living. The theme for 2023 is **“Grow Food, Not Tobacco”**.

Dept. of Public Health Dentistry and Dept. Oral & Maxillofacial Surgery, Yogita Dental College & Hospital, Khed took the initiative to create awareness among the people. The departments had organized skit and rally to create awareness in the community to raise awareness about the harmful effects of tobacco consumption and promote a tobacco-free lifestyle. The celebration began with the inauguration of an event by Police Inspector Mr. Nitin Bhojar and the event was covered by a local news channel. Post inauguration, a skit was performed by students of the college at various places in the town and focusing on various scenarios portraying the consequences of tobacco use. The rally and the skit successfully created awareness and engaged the community in meaningful conversations about the harmful effects of tobacco consumption.

### **WORLD ENVIRONMENT DAY** **TREE PLANTATION PROGRAM**

**05/06/2023**

World Environment Day (WED) is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is run by the United Nations Environment Programme (UNEP). The World Environment Day has been started celebrating as an annual event on 5th of June since 1973 at the Stockholm conference, Sweden and then started celebrating annually at global level.

The theme for 2023 was “**Ecosystem Restoration**” The World Environment Day was celebrated by the dept. of Public Health Dentistry, Yogita Dental College & Hospital, khed. The event had in attendance, Heads of Departments across the faculties of the College and officials of forest department.

Participants at the event were welcomed by the HOD, dept. of Public Health Dentistry. They admonished participants not to focus on only what they can get from the environment, but more so on what they can do to make the environment better than they met it. She also went ahead to charge the participants to care for their environment noting that “treating the environment badly will mean destroying the source of human existence.”

On the occasion of World Environment Day, the dept of Public Health Dentistry organized Tree plantation programme as a token of our effort towards protection of environment and restoration of environmental quality, saplings of indigenous plant species were planted.

The programme was concluded by oath taking to restore our ecosystem.

**Report on**

**WORLD BLOOD DONOR DAY**

**14/06/2023**

World Blood Donor Day was celebrated with great enthusiasm by Dept. of Public Health Dentistry & Dept. Pathology & Microbiology at Yogita Dental College and Hospital in Khed. The event aimed to raise awareness about the importance of blood donation and to recognize the selfless individuals who donate blood to save lives. The celebrations included two main activities: a complete blood count checkup camp and a slogan competition.

The complete blood count checkup camp was organized to encourage people to get their blood tested and understand their overall health status. It provided an opportunity for individuals to have their blood analysed, including important parameters such as haemoglobin levels, red blood cell count, white blood cell count, and platelet count. This camp aimed to educate people about the significance of regular blood tests and how it can help identify potential health issues.

The slogan competition was a creative way to engage participants and encourage them to think about the importance of blood donation. Participants were invited to submit slogans highlighting the significance of blood donation, its impact on saving lives, and the role of donors in making a difference. The competition not only allowed individuals to express their creativity but also helped in spreading awareness about the cause among the wider community.

The event effectively promoted the importance of blood donation through the complete blood count checkup camp and engaged the community with the slogan competition. It played a crucial role in raising awareness about blood donation, encouraging people to become regular donors, and ultimately saving lives through this selfless act.

## SUMMARY REPORT

ON

## DRUG DEADDICTION AWARENESS PROGRAM

The entire world is facing the menace of drug addiction which has a devastating impact on the addict, individual, family and a large section of society. According to the National Comprehensive Survey conducted by the [Ministry of Social Justice and Empowerment](#), there are more than 60 million drug users in the country. To create awareness regarding same, Government of India has now adopted a vision for **“DRUG FREE INDIA”** which reiterates India's resolve to fight against the menace of drugs. In compliance of this Narcotics Control Bureau, Mumbai Zonal Unit proposes to observe **“Nasha Mukta Bharat Abhiyan”** on a Pan India basis.

To raise awareness of the same among students of Yogita Dental College & Hospital, Khed, **Nashabandi Mandal of Maharashtra State Government** conducted workshop ON 30/06/2023 at Yogita Dental College & Hospital, Khed on drug de-addiction. Mr. Sachin Shirke and Mr. Pankaj Shirke from organization conducted seminar and enlightened students through various posters and videos. Oath was taken by students to promote Drug Free India and to raise awareness regarding drug de-addiction.

The event was success with guidance from Dean of the college Dr. Varsha Jadhav and CEO Dr. Hemangi Pol.
