PLACEMENT CELL

Yogita Dental College and Hospital, Khed offers placement opportunities to BDS, MDS students at the graduates, postgraduates levels. The institute's strong student-driven culture and structured academic rigour model have ensured the students' excellence, thereby, securing them premium roles across top organizations and dental clinics despite the odds of the pandemic.

The primary objectives of placement cell activities is

- To promote and create awareness about career advancement and placement options available to students after the course.
- To conduct activities that will help the students to get exposure to the current trends of the dentistry by way of career guidance and counselling of students.
- To continuously upgrade the knowledge of students to make them abreast with recent trends of dentistry through lectures, seminars like What after B.D.S?
- To guide the students for preparation of various competitive exams like PG-NEET for MDS course admission etc.
- To assist students to develop/clarify their academic and career interests, and their short and long-term goals through individual counseling and group sessions.
- To inform students about the available job opportunities in the government sectors and off campus drives and to arrange motivational talks.
