STANDARD TERMS & CONDITIONS:

This contract provides holder of equipment detailed above, with a standard form of service on a year-to-year basis for the reasonable normal life of the equipment in accordance with the terms set forth below.

This contract shall be effective immediately upon acceptance and signature by Virgo Solutions, and the holder of this contract.

- A. **EQUIPMENT:** This contract covers only the equipment listed in service contract, provided the equipment is in working condition at the time of signing the contract, and does not include items not manufactured/supplied by the manufacturers unless otherwise stated.

Virgo Solutions INC.

2.

- B. **PREVENTIVE MAINTENANCE:** Preventive Maintenance will be provided to the equipment covered by this contract **2 times** a year at reasonably spaced intervals to be agreed upon between the parties to the contract. Repairs and adjustments will be made provided that the need arises from normal usage and not from abuse, labor disputes, fire, water, explosion, or as a result of improper power, water or environmental conditions, which are the responsibility of the contract holder. This preventive maintenance, in addition, shall consist of a complete check of the equipment alignment, and calibration, when considered necessary by the service engineer. Soft ware related breakdowns etc will be thoroughly checked and reloading if necessary etc will be carried out by the qualified technicians.
- C. **SPARE PARTS:** All spare parts, imported or otherwise, required for servicing the equipment, shall be provided by the **contract holder**. In case the same is not available with them, it shall be imported/procured by the contract holder under their own arrangement. In case of any sundry expenses incurred by Virgo Solutions, the cost thereof shall be chargeable extra.

To improve the uptime of the equipment under this contract a periodic recommendation of spare parts and consumables to be imported will be made to the customer.

- D. **BREAKDOWN VISITS:** In addition to the regular scheduled inspection visits the holder of the contract will have 2 breaks down visits at no additional cost in case of emergency. Breakdown visit shall only be possible if the contract holder describes either telephonically or in writing to Virgo Solutions about the exact nature of the fault, in sufficient detail. Every reasonable effort shall be made to give as early and as preferred an attention in such circumstances.

The operator of the equipment can additionally obtain at no extra cost, benefit of telephone advice to enable him to carry out minor repairs.

- E. **CONTRACT FEE:** The contract fee of **Rs.55,000.00** shall cover the services mentioned above and also shall include transportation and living expenses of the service engineer for inspection and emergency visits made while the contract is in force.

Virgo Solutions INC.

3.

F. **ASSISTANCE:** The holder of the equipment shall, for his part, give reasonable co-operation in providing aid in the form of manual labor to assist in, or equipment for, the moving or transport of heavy items, and with services of electricians, plumbers, masons, carpenters or other craftsmen where such services shall be necessary in modifying or correcting the holder's facilities. The holder will also provide other necessary assistance such as telephone, telex etc. and unhindered and uninterrupted access to the equipment for a response to breakdown and preventive maintenance visits of designated service engineer.

G. **RESPONSIBILITY:** All services shall be done in good faith, but no responsibility can be assumed for delays by suppliers in providing material or services, for acts of God, decrees or acts of Government, strikes, and delays of transportation, interruption of business of either party or other causes beyond the control of Virgo Solutions.

H. **TERMS OF CONTRACT:** The contract shall be for a term of one year, subject to cancellation, in accordance with the stipulation hereinafter. The total fee of this contract shall be **Rupees fifty five thousand only** payable 100% in advance by Demand Draft in favour of:

VIRGO SOLUTIONS INC , Payable at Bangalore

I. **RENEWAL:** This contract may be renewed for additional successive years at rates to be mutually agreed.

J. **TERMINATION:** either party may terminate this contract at any time on thirty days written notice. Any refunds or additional charges shall be on a pro-rata basis. Virgo Solutions shall reserve the right to make deductions towards any past dues to them that are pending with the holder of the contract.

K. **SPECIAL TERMS:** factory-trained engineers will give Service as considered necessary by Virgo Solutions. This contract shall cover on board service charges.

Virgo Solutions INC.

4.

L. This service contract does not cover:

- a. Component level repairs; such repairs will only be attempted wherever possible and feasible. If modules/populated PCBs have to be repaired at manufacturer's works, then it would be the contract holder's responsibility to comply with all the Governmental formalities regarding export and re-import of replacement board (new or repaired). All costs associated with such replacements/repairs will be borne by the contract holder.
- b. *Repair of damage to equipment resulting from accidents, lightening, transportation, neglect or misuse, failure of electrical power, air conditioning or humidity control or cause other than normal use of the equipment.
- c. Service to the equipment when integrated electrically or mechanically with other equipment or devices without prior technical or financial agreement with Virgo Solutions.
- d. Dismantling and reinstalling partly or completely
