## **INTERNAL QUALITY ASSESSMENT CELL**

### **ANNUAL REPORT ACADEMIC YEAR 2023-24**

#### **Vision**

*To make Yogita Dental College and Hospital the prime dental health care and education provider in the rural province of the Konkan belt by producing skilled and competent dentists trained to meet the regional and national oral health care needs.*

#### **Mission**

- To reach every individual in this rural area and provide them with modern dental care at nominal rates.*
- To provide quality dental education to all the aspirants and nurture them with professional social and human values.*
- To implement the latest means of educational systems and digitalization on par with the global standards.*
- To conduct Systematic progress review annually to assess the progress of the institute strictly in terms of its vision and mission attributes.*

# **YOGITA DENTAL COLLEGE AND HOSPITAL, KHED**

## **INTERNAL QUALITY ASSESSMENT CELL**

Message from Chairman:

*“Our Konkan region is a serene land that presented the world with renowned leaders like Gopal Krishna Gokhale and Lokmanya Tilak, educationists like Pujya Sane Guruji and martyrs like Anant Kanhere. Shivtej Arogya Seva Sanstha is also an endeavor to follow this rich tradition of social service in Konkan. Yogita Dental College which is recognized by The Dental Council of India offers Bachelor’s degree (BDS) and Post Graduate degree (MDS) in dentistry. The college has knowledgeable, highly qualified and well experienced faculty members who strive in ensuring the all-round development of the students. Since YDCH is the only institute of its kind in the length and breadth of Konkan, and the fact that different treatment modalities are almost free of cost, we expect a large no of people to gain benefit from it. I wish good luck to all aspiring students and sincerely hope that they achieve great success through our college.”*

- Mrs. Jyothi Ramdas Kadam

# **YOGITA DENTAL COLLEGE AND HOSPITAL, KHED**

## **INTERNAL QUALITY ASSESSMENT CELL**

Message from Vice Chairman:

*It gives me immense privilege to be part of this noble venture of “Dental Education” started by my father Shri Ramdas Kadam ji, the first of its kind in the State of Maharashtra. This temple of learning in the green ghats located in a serene atmosphere provides quality Dental Education with State of Art facility. The campus is culturally diverse with students from Maharashtra and other parts of the Country. The overall ambience provides a wide range of opportunities to exhibit the academic and extracurricular talents. Students are nurtured with ethical values to make them responsive and responsible citizens. “Vision without action is a dream. Action without vision is a waste of time. But, Action with vision is about making a positive difference. The vision encompasses the ideal academician with a personage showing a penchant towards the finer ideals of humanity. Archetypically, the scheme is to create an institution that would embrace all the dental specialties at a postgraduate level with a high level of interaction in community dental programs. Tobacco cessation center is being maintained by our institution for patient awareness and also in order to get rid of the oral precancerous conditions by the tobacco chewers. Free dental checkup and treatment camps are being organized by our institution each and every month by almost all our dental specialties in order to create awareness in the patients the importance of oral health.*

*Qualitative improvement has been the watchwords of both the Management and the faculty. I firmly believe and strives for the organization’s core values which are Faith, Family and Excellency in providing world class education and oral health care. I am certain with our dedication and commitment, this will be achieved.*

- Mr. Siddhesh Kadam

# **YOGITA DENTAL COLLEGE AND HOSPITAL, KHED**

## **INTERNAL QUALITY ASSESSMENT CELL**

Message from Secretary:

*I would like to take this opportunity to extend you an invitation to experience Yogita Dental College and Hospital through our website that is especially designed for your perusal. This College has been a pride of our Trust and today it stands amongst the finest Dental institutions in our Country. The College is committed to provide the very best to all our students. Our Faculty is distinctive in offering a full range of academic programs including comprehensive undergraduate and post-graduate programs with advanced specialty training. Our faculty is the foremost in dental research & education in both the clinical and Biological science. Our preclinical labs are constantly being upgraded to train our future clinicians in the most skillful way. The students are being given a brilliant exposure both at a patient level and also at a technological level. Our focus remains in providing world class equipment to our young graduates and post graduate students to carry out the dental treatment in the OPD at par with International standards. Our Institute has always excelled in providing the best to our students and patients be it a state of art, as in-house Centre for Advanced Research, Laser Centre, Centre for Oral Implantology, Surgical Microscope, Advanced OTs etc. Every year our students have excelled in achieving the top ranks at the University examinations and our alumni are successful doctors both in India and abroad. I assure you all that the very best would be provided to every undergraduate and postgraduate student enrolling in our Institute. Me and my faculty out here would be committed in making each one of you achieve greater academic and professional excellence. YDCH is further strengthening its research base and inspiring diversity in perspectives.*

- Mrs. Yogita Vighnesh  
Kadam

# **YOGITA DENTAL COLLEGE AND HOSPITAL, KHED**

## **INTERNAL QUALITY ASSESSMENT CELL**

Message from Joint Secretary:

*It is a matter of great pride that Yogita Dental College and Hospital, Khed has made consistent progress, year after year, in the field of Dentistry. Our aim is to deliver good quality education aimed at the all-round development of the student both at a patient level and also at a technological level, which enables one to become a very successful in his/her career. Being a member of the management in the capacity of Joint Secretary, I personally feel proud to be the part of this institution which has been growing year after year, where our students are achieving best ranks in the University and this highlights the tremendous efforts being put forward by our faculty in training and nurturing the young minds. On behalf of the entire management I assure all the students and well-wishers that infrastructure, academic environment, professional teaching skills and learning process will be maintained with your active participation, and this institute will continue to progress in coming years too.*

- Mr. Yogesh Kadam

# **YOGITA DENTAL COLLEGE AND HOSPITAL, KHED**

## **INTERNAL QUALITY ASSESSMENT CELL**

Message from Dean:

*It is a matter of great pride to be the DEAN/PRINCIPAL of our esteemed Yogita Dental College and Hospital, Khed for ten years which is being made a consistent progress, year after year, in the field of Dentistry. Our aim is to deliver good quality education aimed at the all-round development of the student both at a patient level and also at a technological level, which enables one to become a very successful in his/her career and get better placements. Our college aims to not just impart knowledge to the students, but also to inculcate in them – wisdom, compassion and humanitarian spirit. Our success is based on maintaining a strong dedicated faculty and staff supported in their commitment to teaching and administration, professional development, student research and community service. We lay emphasis on modern professional education, curriculum development and overall progress of our students by using advanced teaching methodologies to keep pace with the global dynamic demand in the field of dental academics and patient care by doing a service to the rural population and also taking care of children in fluoride application, pit & fissure application by conducting school camps. To keep our faculty and students updated about new development in the field of dentistry, “Continuing Dental Education Programs” are regularly organized in the institution. I heartfully thank my management, faculty members, students and non-teaching staff for constant support and encouragement in consistent progress of this college. I look forward to graduate more future batches of dentists in the upcoming years. I warmly welcome those aspiring to become Dental Surgeon to come and join us to explore and experience the happiness of learning and serving to human kind.*

- Dr. Varsha Padurang Jadhav

### 10. Administrative development programs conducted in the year 2022-23

S. No.	Title of the professional development Programme organised for teaching staff
1	Systemic review in research
2	Dental photography
3	Surgery first approach
4	Blood derivatives and its application and dentistry
5	Protecting children from tobacco industry interference
6	Bio- Flex Crown and Pre Fabricated Space Maintainer
7	Skills and Communication training for Office and Non teaching staff.

### 11. Faculty Development programs

S.No.	Year	Name of the Program	Date	Staff
1	2023-24	AI and automation in MS-EXCEL	15/10/2023	Dr Aditya Dupare
2	2023-24	Maharashtra State Certificate in Information Technology	Sept 2023	Dr. Christeena Dr. Varunraj Jadhav Dr. Premraj Jadhav
3	2023-24	Changing trends in Dentistry: Application of LASERS in oral mucosal lesions	20/10/2023 to 22/10/2023	Dr Aditya Dupare
4	2023-24	Certificate course in Prevention of Sexual Harassment	17/10/2023	Dr. Prerna Barge
5	2023-24	Complete Pharmacovigilance training Certificate course	19/10/2023	Dr. Nazish Shaikh
6	2023-24	Webinar on Optimising oral function: Conventioanl rehabilitation with Dental Implants in the compromised posterior maxilla	27/03/2024	Dr. Vidyarhan Sukhdeve
