SUMMARY:

The institute's motto is to raise awareness about the harmful effects of tobacco on oral health and overall well-being while promoting tobacco cessation and inspiring individuals including the students, faculty and community, to take proactive steps towards quitting tobacco and embracing healthier habits. In order to achieve these goals, the Institutes' Department of Public Health Dentistry runs a fully functional Tobacco cessation and counselling centre (TCC Centre) as per the DCI guidelines.

On the occasion of "World No Tobacco Day", Dept. of Public Health Dentistry, Yogita Dental College and Hospital organized a fortnightly array of activities (16th May to 5th June).

On 20/05/2024 interns of Yogita Dental College, conducted door-to-door visits and oral screening in the nearby communities to disseminate information about the dangers of tobacco use and promote healthy lifestyle choices. The harmful impact of second-hand smoke was explained especially to the family members of smokers along with the impactful role of family in quitting the habit.

The college organized 3 free oral health screening camps offering comprehensive dental examinations to community members dated – 16/05/2024, 27/05/2024 and 05/06/2024 in the local college. Special emphasis was placed on detecting early signs of tobacco-related oral diseases such as oral cancer, periodontal disease, and leukoplakia.

CDE Webinar was organized on occasion of World No Tobacco Day on 31/05/2024. Subject of the webinar was- Protecting children from tobacco industry interference. It was delivered by Dr. Akshatha

Gadiyar (Assistant Professor in Dept of Public Health Dentistry at Goa Dental College & Hospital, Bambolim, Goa).

In order to create awareness on ill effects of Tobacco Consumption among students as well as patient's T-shirt painting, Logo Designing & IEC Material designing competition was organized. Prizes were distributed on World No Tobacco Day (31/05/2024).

Dept. of Public Health Dentistry organized Free Oral Cancer Screening Camp in collaboration with Dept. of Oral Pathology at Bus stand of Khed on 31/05/2024, for the locals and patients coming from outside of Khed were targeted. Students from YDCH NSS Unit (2nd, 3rd, 4th year and interns) took part in the camp to assist interns for Oral cancer screening test - Toluidine blue stain.

The event was covered by local news channel.
